1. Those attending a service or meeting should have no fever or other symptoms of illness. If you test positive for a contagious disease such as COVID after attending a meeting or service, please contact the Temple president.
2. Face coverings are optional.
3. We will provide a separate seating section with social distancing for those who prefer that.
4. Services will continue to be available virtually.
5. We will have an oneg after each service.
6. At each service or meeting, each attendee will check in, in order to have a list of attendees for security purposes and for contact tracing if necessary.

All of these provisions are subject to change as needed based on the situation in the community.
